

Officially Spring!

September 2017

Let's hope we are heading to some warmer weather now that Spring has officially started – yay! We have lots of new fabrics, a pattern sale, our new class schedule and while we are nowhere near the Hamilton Craft Show, we still get to benefit from the BERNINA special prices!

BERNINA & bernette Specials

There is a special offer on almost every machine in the BERNINA and bernette range, so if you are thinking of upgrading, or looking for your first machine or overlocker, come in and let us show you the range. For example, bernette sewing machines start at \$199, and overlockers at \$599. In the BERNINA range you can save up to \$1000, and even the brand new overlockers and coverstitch are at a reduced price. Offers are valid until September 15th.

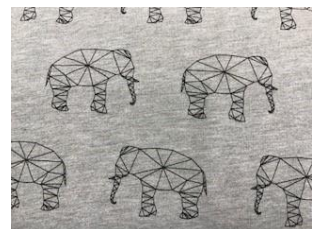

Furthermore, there is still the offer of ex-Symposium machines which are available at vastly reduced prices. You can pre-order now, and pick up your machine next month. These sell out fast, so if this is the offer to go with, let us know!

New Fabrics & Pattern Sale

We have had an enormous amount of new dress fabrics arrive in the past couple of weeks with some beautiful summer florals. Whether you are looking for stretchy, drapy, woven, knit, linen, cotton, rayon.... we will do our best to help you find the perfect fabric for your outfit.

Also, **Simplicity** Patterns are **half price** for the next fortnight, so a great time to get into some summer sewing and get your wardrobe summer-ready.

Classes

Our class schedule was released at the end of August and classes are starting to fill up. We do however still have some spaces on this Saturday's Learn to Sew - Level 0. This is ideal for those who have never sewn before, or never even sat in front of a sewing machine before! You will learn all about the machine, and complete your first project. It is a great basis to move on to one of our dressmaking or patchworking classes. Have a look at our schedule attached, and get in touch to sign up!
