BERNINA in Blenheim

Julie Veck, National Product Educator for BERNINA NZ will be spending 2 days with you here at The Sewing Store on June 25th and 26th (she's coming especially for my birthday ;o)). On the Monday 25th, all those interested in Machine Embroidery should come and join us in the classroom where Julie will be teaching a day of Toolbox, and generally being available to answer all your embroidery queries. Tuesday 26th Julie will be demonstrating anything that you would like to see, or you could just come

and pick her brains!

On Thursday August 2nd, the BERNINA Roadshow is coming to Blenheim. You will be in to win a BERNINA, there will be spot prizes, come and try out any machine, or just come and celebrate BERNINA's 125 year birthday!

Classes, Classes, Classes....

We have a fun packed Term 2 of classes this time - Overlocking, Sapporo Coat, Improve Your Dressmaking, Pattern Drafting, Baby Quilt, Tuffet, Carry-All quilted bag, Stargello.... Check out the schedule attached and see if there is a class for you. If not, let us know and we will look at incorporating one!
